

## FAMILY MATTERS PROGRAMMES

### ONLINE ADOPTION. ORIENTATION & EDUCATION WORKSHOPS

**Who should register?** If you're considering adopting a child in South Africa, this workshop, led by seasoned adoption specialists, is for you.

**Overview:** Adoptions can sometimes be perceived as problematic or drawn-out. These perceptions often arise from misunderstandings and inconsistencies in the adoption process. Our workshop aims to address these misconceptions and equip potential adoptive parents with the right knowledge and motivation.

### ADOPTIVE PARENT PREPARATION AND EDUCATION WORKSHOPS

**Is this for you?** If you've adopted a child but haven't received thorough preparation on core adoption topics, this two-day workshop is tailored for you.

**Topics Covered:** Motivation, bonding and attachment, understanding loss, life story work, and more.

### POST-ADOPTION EDUCATION REFRESHER WORKSHOPS

**Who should attend?** Whether you've adopted recently or years ago and are seeking guidance on adoption-specific challenges, this workshop is designed with you in mind.

**Key Areas:** Child and parent support, bonding and attachment, setting boundaries, storytelling, and addressing interracial issues.
